Round Table: Wednesday 8th April 2026, 10:45-11:45

Dear HoD, Coaches and Judges,

The TRA Technical Committee of European Gymnastics invites two representatives from your National Federation to participate in the upcoming Round Table.

Following this year's European Championships, which included the implementation of TRA U21 and the introduction of combined Team Finals, we highly value your feedback regarding these recent changes.

We are pleased to note a record number of National Federations and participants at the upcoming European Championships. To ensure we continue to grow and expand our sport, we need your input on what that could look like.

Additionally, we would appreciate your input on potential initiatives for future events, such as the possibility of online competitions and innovative formats for new future events.

We hope to see you all in Portimão!

Kind regards,
